

ABDULRAHMAN ALBELADI

Riyadh, Saudi Arabia | +966 54-044-5404 | Albeladi.Abdulr@gmail.com | [LinkedIn](#)

EDUCATION

DUAL BACHELOR'S DEGREES: COMPUTER SCIENCE AND MATHEMATICS
University of Maryland

August 2022 - May 2026

KAUST Gifted Student Program (KGSP) Scholarship

- Relevant Coursework: Machine Learning, AI, Data Science, Algorithms, Real Analysis, Abstract Algebra

EXPERIENCE

KING FAHD UNIVERSITY OF PETROLEUM & MINERALS

Research Lead, AI in Saudi Higher Education

July 2024 - June 2026

- Led 10 researchers on a three-paper project analyzing +1200 survey responses and academic files.
- Built end-to-end Python data pipelines for multilingual data ingestion, cleaning, transformation, API integration, NLP, and analytics across Arabic, English, and programming datasets.
- Evaluated four AI-detection systems, benchmarking accuracy and AUC metrics across multilingual datasets.

SCALE AI

AI Math & Programming Model Trainer

January 2025 - April 2025

- Evaluated and improved mathematical and programming outputs from large language models by reviewing reasoning quality, correctness, edge cases, and solution clarity.

PROJECTS

UNIVERSITY OF MARYLAND

Real Estate Data Analysis

January 2024 - May 2024

- Analyzed 650K+ real estate records using regression models, clustering, and statistical analysis to identify pricing anomalies and market trends for investment decision-making.

INDEPENDENT PROJECT

Multi-Model Agentic AI Workflow

June 2026

- Built an agentic workflow system that orchestrates OpenAI, Anthropic, and Google APIs with configurable routing logic, automated quality scoring, and response synthesis, and deployed it with FastAPI.

UNIVERSITY OF MARYLAND

Undergraduate Research Experience

November 2022 - May 2023

- Developed two independent number theory papers on efficient prime-counting algorithms and convergence of prime-number last-digit frequencies, with mentorship from Dr. Lawrence C. Washington.

KING ABDULAZIZ FOUNDATION FOR GIFTEDNESS & CREATIVITY

Independent Research

October 2020 - February 2021

- Completed 800+ hours of research on prime numbers, earning national recognition and research sponsorship.

AWARDS & PROGRAMS

- Recipient - KAUST Gifted Student Program (KGSP) Scholarship
- Recipient - Aramco College Degree Program (CDPNE)
- ExxonMobil Research Prize
- Two Math Kangaroo Medals
- Arizona State University Entrepreneurship and Leadership Program

EXTRACURRICULARS

Math Kangaroo Channel, YouTube

- Explained Solutions for challenging Math problems in over 300 videos with a total of +20 hours.

Founder, Tutoring Organization, Taibah High School

- Led a team teaching 200 students daily, contributing to our school's top regional performance in 2021.

SKILLS

- | | | |
|----------|--------------|--------------|
| • Python | • C | • JavaScript |
| • Java | • HTML & CSS | • SQL |
| • R | • Tableau | • Git |
